

Terms of Service

BetaParadise · BP · Effective 24 September 2026

1. Operator

The Service is operated by BP, an unregistered sole activity of a natural person in Poland. Contact via in-Service support.

2. Age

18+ only. Face-and-card verification is required before a Creator can operate. False age is immediate termination.

3. The product

Adult FemDom / fetish platform: feed, SIMP and SLAVE subscriptions, chat (Creator-paid media only), Slave Trainings, GoonZone, Keyholding and Debt Contract (in-app kink accounting, not a loan), wallet.

4. Prohibited

No minors (including fictional). No real-world blackmail, doxxing, non-consensual third-party images, or illegal content in Poland/EU. We may remove posts and notify the author.

5. Fees (Creators)

Platform commission on Creator receipts is 15% until USD 2,500 lifetime gross on BetaParadise, then 20%. Admin may assign a personal rate (until revoked, or until a stated extra-gross cap) or a time-limited site-wide promo shown to Creators with a countdown.

6. Wallet and payouts

Fans may fund the wallet with cryptocurrency (preferred: most anonymous) via the listed coins, or via YouPay tiles (card/bank; YouPay adds its own fee; you receive the tile credit listed on BetaParadise). YouPay orders are stored from the webhook at <https://betaparadise.com/api/youpay/webhook> and credited only after the user enters the order ID plus either the YouPay subtotal or the YouPay total. Each order credits once. Creator withdrawals: USDC on Solana from USD 50, Monero only from USD 500 equivalent, maximum USD 1,000 per day, USD 1 fee per request, address wait 24 hours. Not a bank. Crypto network fees are yours.

7. Power Exchange

Keyholding and Debt Contract are consensual roleplay tools. Debt balances are not collectible off-platform. Either party may end an in-app contract. BP will not help pursue anyone outside the Service.

8. Content licence

You keep ownership. You grant BP a licence to host, transcode and deliver to authorised viewers. Proof files may be deleted after review.

9. Liability and law

Service “as is”. Polish law and Polish courts, without limiting mandatory EU consumer rights. These Terms may be replaced by a new PDF in the footer. Last updated 24 September 2026.
